

Doheny State Beach

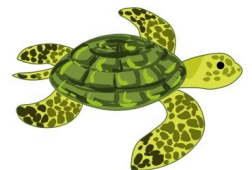

Thanks to the Ocean Cleanup

Saturday, November 26, 9:00 am-Noon

Let's give "thanks" to the ocean for the year-round love and joy that it gives us by giving it a good cleaning!

Please join us for this last beach cleanup of the year

We meet at the picnic tables adjacent to the lifeguard headquarters...join us!

Thank you for bringing along work gloves, drinking water, and dress for weather!
